

# Larry McFadden Ministries, Inc.

*July 2009*

Dear Friend in Christ,

After I returned from Africa, I began to take a look at what has happened in the last six months and even I was amazed.

Since November we have been to India twice, Ghana, Haiti, Dominican Republic, Uganda and Rwanda. That's over 60,000 miles of travel and 75 days out of the U.S.A. It gives me "jet lag" just to think about it.

In all of those conferences and crusades, I stood before a total cumulative audience of 25,400 people. We saw 1,452 total public decisions for Christ in nine area-wide outdoor crusades.

We had eleven training conferences with a total registration of 1,645 pastors and church leaders. In all of those meetings I preached 99 times and had the capable help of Bob Stewart and Len Morgan from Commission Ministries in Indiana in most of those conferences.

The pictures on the following pages are from Uganda and Rwanda in May. We were only 60 miles from Sudan in N.E. Uganda, with no electricity and no running water. It was quite a challenge but God gave us great victories in people's lives.

All of this is made possible by gracious giving of God's people. Many of you have had a part in all of these outreach mission trips. Obviously, we continue to need your help. And, we continue to pray that God will raise up people to help us who have never helped us before.

We are trying everything to make the dollars go farther, so please remember us in prayer.

If you feel led to invest in our ministry, an envelope is provided.

In Christ,

Larry McFadden

P.S. Teresa and I are going to spend a couple of weeks in the mountains, and while there, we will celebrate my parent's 65th wedding anniversary. I am certainly looking forward to some relaxation and time off.
