MEMORIAL DAY— A TIME TO REMEMBER...

Our Country—

We take this time to reflect on the many sacrifices made by so many men and women on behalf of our great country . . . World War II, Vietnam, Gulf War, and even the current war in Afghanistan. Most of us live our lives enjoying the freedom that we have in America, without realizing the tremendous cost that was paid by our U.S. service men and women.

Our Calling—

We were reflecting recently the men and women who helped us launch our ministry in 1988, who are now in Heaven with the Lord. Bob & Miriam Vickery, Tige Fletcher, Eddie Thomas, Mac McCully, Bob Lloyd, Harmon Oates, and Terry Shoup believed in this ministry enough to partner with us in the early days. Even then, none of us could imagine that God would lead us, literally, to the ends of the earth.

Our Faith—

I believe the day is coming in the not-too-distant future when we, as believers, may be called upon to sacrifice in ways we never thought possible for our faith. II Chronicles 7:14 is a reminder that we need to humble ourselves, seek the Lord daily, repent and pray for America.

Many others have joined us along the way, recognizing our call to go and teach, and have given sacrificially. As we read the “Hall of Faith” in Hebrews 13, we rejoice that these men and women are among the cloud of witnesses cheering us on. We remember and give thanks.

ETHIOPIA

You have helped partner with us on our recent trip to Ethiopia, which is one of the most fascinating places I've ever been. It's the biblical heritage and the history that make it so interesting. They claim ancestry all the way back to Solomon, and their calendar and daily clock are very Jewish. Then, the Ethiopian eunuch that Phillip led to Christ in Acts 8, undoubtedly had a huge impact for the Gospel in Ethiopia as well as other countries in Africa where

they sent missionaries. Better than all of that, we had 140 pastors who had hungry hearts and a desire to absorb biblical truth and practical ministry helps. I was privileged to meet the Evangelism Director for the largest evangelical denomination in all of Ethiopia. He came to our conference and then said to me, "You must come back and bring this delicious teaching to all of our pastors in Ethiopia." What a way to say it! Another young pastor said he was ready to go back to his church and start discipling "faithful men who will be able to teach others also."

They want us to develop a strategy where we do conferences in all 9 zones of the country. We made a commitment to go back next February, 2012.

Next Mission Trip—Uganda, May 13-28.

We will be with Timothy Kakooza, who sets up all our conferences in that country.

We will do 2 conferences in 2 different districts.

After 23 years in the ministry on my own, I realize that support of a faith ministry is such a sovereign thing. God is in control and He owns the cattle on a thousand hills. He doesn't mind selling another cow if He needs to do so for a special purpose.

I have been amazed over and over at how God has provided for these mission trips as we try to obey the Lord's mandate in II Timothy 2:2. Train the Pastors—Win the World! That has become my theme. In Third World countries, the pastors desperately need to be trained in basic doctrine, evangelism, and discipleship. So, if these countries are to be won, the pastors must do it. They must become Spirit-filled Bible teachers, "doing the work of an evangelist."

Will you help us train them? We need your help! You may want to underwrite a conference or help 25 (\$250) or 50 (\$500) pastors be able to stay for a week of study.
