*November 2009*

Dear Friend in Christ,

I'm writing this as I leave for Burkina-Faso and Northern Ghana, West Africa (Oct. 22). I will be with Lynn Kennedy in Burkina doing a training conference for pastors and church leaders, and then with Bob Parker in Paga, Northern Ghana for another conference and crusade.

The small city where Lynn is located in Burkina is 5 hours from the capital in a very underdeveloped remote area. Paga, Ghana is several hours from Tamale, the largest city in Northern Ghana.

These are areas where the pastors have very little training of any kind, and some of them are unable to read and write. I will be very honest with you, we have had to limit the number of participants in these conferences because of financial constraints. Since we are housing and feeding them for 5 days, we could not afford to have as many as in the past.

Some of you may not know that in these third-world countries, no offerings are received, nor do the churches there help any with the expenses of the conferences. The financial responsibility is totally on our shoulders.

So, we definitely need your help. And, there is no gift too small to make a difference. Some can give more, some less, but all of the help is needed. An envelope is provided for your convenience.

A full report of this mission trip will be in the next prayer letter.

In Christ,

Larry McFadden
