

Larry McFadden Ministries, Inc.

September 2009

Dear Friend in Christ,

It's hard to believe that the summer is over and we are looking at the fall season. It was just the other day in June that Teresa and I were enjoying the mountains, and then, in July, I endured the heat in Haiti (pictures enclosed).

Then, in August, as we were working on upcoming overseas mission trips, my friend, Jim Wilson, got extremely sick and asked me at the last minute to go preach a revival for him in Boaz, AL. It was exciting to see several adults saved, as well as many young people who made a commitment to take a stand for the Lord and on the Word of God.

By the time you read this, our Advisory Council will have had its annual retreat to plan our entire year. We pray, discuss, plan, work and pray some more. At that meeting we plan our banquet, golf tournament and how many overseas projects we are going to do. It is a wonderful time of fellowship, prayer and planning. Joe Hembree and Wyatt Anderson serve as co-chairmen of our AC and they do a great job.

We are making plans to focus more on our overseas training conferences, because "third world" pastors and church leaders desperately need training. Bob Stewart from Commission Ministries in Indiana, and I, are trying to put together the very finest training school that we can for a 5-day conference. This is the greatest need, so please pray with us about this.

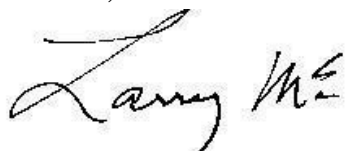

We are trying very hard to make the dollars go as far as possible. I want people to feel that their investment in our ministry is being used wisely. Please know that our Finance Committee monitors the income and outgo very closely. And, we are doing that more closely than ever before.

It is amazing that we have now been on 53 overseas mission trips. Right now, we are working on trips to India, Haiti, Uganda, Rwanda, Kenya and our first trip to Liberia. Additionally, we are working on a trip to Nagaland, India, scheduled for June, 2010.

We continued to be amazed at how God has opened doors for us in these far away places. Please pray that God will raise up people to help us minister in these remote areas. We continue to pray—by faith—believing that God will make a way.

Your investment in the Kingdom, through our ministry, is more important than ever. If you feel led to invest in our ministry, an envelope is provided. Thank you for helping us and praying for us.

In Christ,

Larry McFadden
